O'Fallon District 90 Junior High School Extracurricular/Athletic Booster Club

Why do we have a Booster Club?

Four years ago, the school district cut extra-curricular activities from the general budget. The Booster club was formed to maintain the programs and make all established activities self-funded. The Booster Club working with the school district was able to maintain programming and in the Spring of 2016, the school district voted to bring the programs back and support them through the general budget again. Now the Booster Club is in place to help support the needs of the programs and work with the schools and programs on ways to offset additional costs.

How has the Booster Club supported the Junior High programs in the past?

- Provided financial support to pay for participant scholarships
- Purchased new scoreboards for Fulton Junior High School
- Purchased necessary equipment and uniforms for sports and activities
- Assisted the district in purchasing a new tractor to maintain outdoor sports facilities

Goals and Objectives of the O'Fallon Dist. 90 Junior High School Booster Club

- Develop an organization with active and involved membership that is concerned with the total athletic/extra curricular programs and all of its participants regardless of sex, race, socioeconomic status or chosen sport or activity.
- Promote school spirit and sportsmanship and encourage attendance at all events.
- Encourage and support the academic endeavors of students.
- Provide financial support for the various activities.
- Adhere to all board policies, administrative procedures and the Athletic Handbook.
- Aid the staff in organizing and staging special events and projects.
- Aid and support the school staff in the areas of promotion, publicity, and program development.
