Dear District 90 Families,

We are pleased to launch the *Here Comes The Bus (HCTB)* App. Please follow the instructions to download the app and you can begin following the bus for student pick up and drop off. You will need your student's State ID number, which can be found in Skyward Family Access.

Once logged into Skyward Family Access, click on "Portfolio" from the left side menu. Then click "Student State ID's for Family Access". After it processes then click View Report. This will give you your Student's State ID number.

In addition, please do not use this as a tool for when to send your student out to the bus, as we do not want them to miss boarding in a timely fashion. Instead, use it to inform you of when the bus has arrived at the destination.

If you have questions regarding the app, contact the bus company directly at **618-632-3399**.

If you need assistance locating your student's State ID number, please contact your building level secretary for assistance.
